

Process

A.1 Objective

To maintain a live pipeline of relevant and fundable opportunities aligned with THiNK's strategic priorities, ensuring that proposal development begins from a position of preparedness rather than in response to tight deadlines.

A.2 Roles and Responsibilities

Role	Responsibility
Team Lead (Brian)	Sets strategic funding priorities and makes the final Go/No-Go decision on applications. Advises on indirect cost rates, cost-share requirements, and institutional commitments before proposal development begins.
Grants Maintainer (Conrad Kabuye)	Maintains the funding opportunity tracker, manages funding alerts, conducts first-pass eligibility screening, and coordinates grant pipeline reviews.
