

Purpose of the Playbook

This playbook defines the operational, technical, commercialization, governance, and ecosystem framework for the THiNK Partnership Program.

It serves as the primary guide for:

- Developers
- Fellows
- Partners
- Collaborators
- Universities
- Institutions
- Resellers
- Ecosystem operators
- Commercial deployment teams

The document establishes:

- Participation pathways
- Product deployment standards
- Validation systems
- Licensing structures
- Revenue frameworks
- Ecosystem governance
- Commercialization models
